What is Chauffeur Drive?

Your clients can be whisked directly to and from the airport at both ends of the route. Chauffeur Drive is available to and from the following UK/ROI locations – Aberdeen, Belfast, Dublin, Edinburgh, Glasgow, London Heathrow and Manchester – when flying on a bmi midhaul route.

The following free transportation zones apply:

Aberdeen, Belfast, Dublin and London Heathrow	50 miles
Edinburgh and Glasgow	70 miles
Manchester	80 miles

Chauffeur Drive is available in the following destinations:

Addis Ababa*	Bishkek	Freetown*	Riyadh
Almaty	Cairo	Jeddah (via Riyadh)	Tbilisi*
Amman	Damascus	Khartoum*	Tehran*
Baku	Dammam (via Riyadh)	Moscow	Yerevan
Beirut			

How do I book it?

- Book an eligible Business Class fare in C, D or J class (and A or P class for Almaty and Saudi Arabia). Ensure the route is operated by BD (236 ticket stock). Chauffeur Drive is not available on codeshare flights operated by other airlines.
- To book Chauffeur Drive, call us on **0844 848 3322** or complete the booking in GDS.

GDS bookings – for specific GDS guidelines go to flybmi.com/trade/chauffeurdrive

- Add pick-up and drop-off address details for all sectors of the journey. For any sector where Chauffeur Drive is not required, enter 'pick up/drop off not required'.
- Enter your email address so that we can send you a confirmation email and also a contact number for your client. Your booking will also be confirmed via 'Vendor remarks'.
- To help us identify your booking please add **OSI/SSR 'CLID'**, depending on your GDS.
- Queue your Chauffeur Drive booking.
- If you need to cancel, queue the booking to us using the relevant queue address which you can find in the booking guidelines at flybmi.com/trade/chauffeurdrive
- If your client requires Chauffeur Drive beyond the free transportation zone, an additional charge will apply for excess mileage. This will be confirmed at time of booking.

bmi only offers Chauffeur Drive when booked more than 24hrs in advance of travel and amendments can only be accepted up to eight hours prior to flight departure.
