What is Diamond Club?

bmi Diamond Club is the UK's most generous frequent flyer programme.

As members, your clients can earn miles by flying with bmi and our Star Alliance partner airlines to over 900 destinations worldwide. Plus, they can earn miles through hotel stays, car hire, shopping online and by using our credit card. Plus, with the benefit of family membership, up to eight members can combine their miles in one account whilst maintaining their individual status.

Miles can be spent on free flights, upgrades, hotel nights, car hire and much more.

The more your clients fly with bmi and our Star Alliance partners the quicker they'll move up through our membership status levels, enabling them to enjoy exclusive benefits* such as:

- Lounge access – Diamond Club, business and overseas executive lounges
- An additional free baggage allowance
- Free upgrades which can be booked up to 7 days before departure
- Premium check-in at London Heathrow
- Priority on waitlist and standby flights.

Your clients can also earn points for their company. See the Company Rewards leaflet for more information.
