better for business

What does The Great British Lounge offer?

The Great British Lounge offers a warm, welcoming, contemporary and relaxing area. Whether your client has 30 minutes or is connecting onto another flight and has three hours spare, the distinct areas are designed to cater for all your clients needs.

Your client can refresh with a shower in our washrooms, relax, read or watch the television; the lounge has quiet corners with complimentary newspapers and magazines.

If your client prefers they can catch up on some work, a quiet study area offers desks and business facilities available for use at all times. There is free WiFi in this area as well as throughout the rest of the lounge should your client want to check their emails or browse the internet elsewhere.

The Cafe offers hot and cold food throughout the day starting with breakfast, lunch, English afternoon tea and concludes with Lounge Dining. The Local, our very own English pub, offers a range of spirits, wines and beers as well as soft drinks.

How will my client get access to The Great British Lounge?

The Great British Lounge can be found at Gate 5 in Terminal 1. Your client will need to follow signs to bmi International Business Lounge.

The Great British Lounge is open to Business Class customers and Diamond Club Gold and Silver members travelling with bmi to international destinations and Star Alliance Gold members travelling with bmi and other Star Alliance partners.
